ABOUT

Dedicated and proficient Java developer with extensive understanding of Core Java and Advanced Java technologies, such as JSP, JDBC, and Servlets. capable web developer with solid basic knowledge of JavaScript, HTML, CSS, and Bootstrap. practical experience with MySQL databases and creating scalable online apps. competent in the concepts of object-oriented programming (OOP), database management systems (DBMS), data structures and algorithms (DSA), and operating systems. capable of putting effective solutions for challenging software issues into practice and knowledgeable about computer networking ideas. An eager learner with real-world project development expertise and a drive to improve user experiences. searching actively for chances to use technological know-how in demanding, dynamic settings to promote innovation and commercial expansion.

EDUCATION

- **B Tech (Computer Science & Engineering) | 2022 – 2026 | Guru Nanak Institute of Technology |** *1st Year CGPA: 9.4| 2nd Year CGPA: 9.05| Current Year: 3rd Year*
- **XII (WBBHSE) | Krishnapur Adarsha Vidyamandir (HS)** *Percentage: 86.93%| 2022*

EXPERIENCE Fresher - Looking for opportunities in Software Development

SKILLS

- **Programming Languages:** Core Java, Advance Java, C, Python
- **Frontend Technology:** HTML, CSS, JavaScript
- **Backend Technology:** Servlets, JSP (Java Server Pages), JDBC (Java Data Base Connectivity)
- **Framework:** Bootstrap CSS, Tailwind CSS
- **Database:** MySQL, Oracle SQL
- **Version Control:** Git & GitHub
- **IDE:** VS Code, Eclipse IDE
- **Industry Knowledge:** DSA, OOPs, OS, Networking, Debugging, MVC Architecture, DAO
- **Interpersonal Skills:** Problem Solving, Management, Team Leadership, Communication

ACADEMIC PROJECTS

Tech Blog Web Application
Blogging web application using HTML, CSS, JS, Bootstrap, Servlets, JSP, JDBC, MySQL | Project Link

Basic Hand-Cricket-Game
Functional Hand Cricket Game using HTML, CSS & JavaScript | Project Link

Bank System
Core Java Project on Bank System | Project Link

To Do List
Database related Project using MySQL and JDBC | Project Link

CERTIFICATIONS

Data Structure and Algorithms (Coursera), Object Oriented Programming (Coursera), Java (Coursera, HackerRank), C Programming (Great Learning) , MySQL (HackerRank)

ACHIEVEMENTS / HOBBIES / VOLUNTEERING

- Volunteering: **TECHVERSE 2.O** (Technical Fest of CSE Dept of GNIT - 2024)
- Finalist at **Smart Bengal Hackathon 2024 – Team Project**
